**IIJ Corrects a Figure Disclosed in its presentation material titled
“Consolidated Financial Results for FY25 (April 1, 2025 to March 31, 2026)”**

TOKYO - May 22, 2026 - Internet Initiative Japan Inc. (“IIJ”, TSE Prime Market: 3774) has corrected a figure disclosed in its presentation material titled “Consolidated Financial Results for FY25 (April 1, 2025 to March 31, 2026)” which was disclosed on May 14, 2026.

1. Reason for Correction

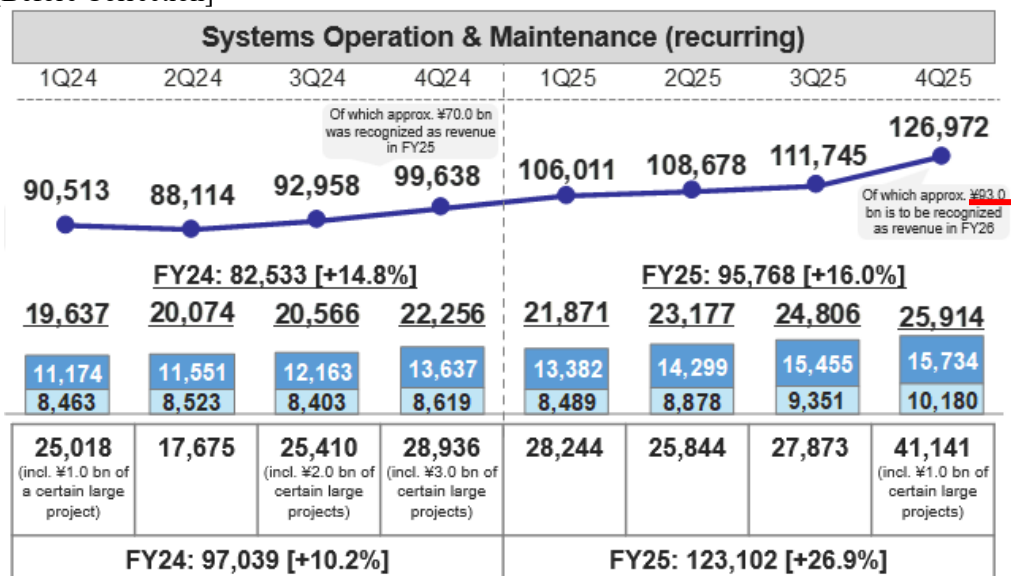

The amount of revenue expected to be recognized for the fiscal year ending March 31, 2027 (“FY26”) from a part of the order backlog of systems operation and maintenance was miscalculated and has been corrected accordingly. While the corrected item is included as a component of the targets of consolidated financial results for FY26, this correction does not affect the targets including the breakdown of network services and system integration, and the targets remain unchanged.

2. Corrected Item

The correction is underlined on the following page.

In page 11 “II- 6. Systems Integration (SI) (1) Revenues” of our presentation material titled “Consolidated Financial Results for FY25 (April 1, 2025 to March 31, 2026).”
